Roll call of directors and declaration of quorum. Brandon Griggs, Kyle Matsumura, Rebecca West and Mariah Douglas are present. A quorum has been established.

### President's Report

We had two successful events with Nathan Brasil and Chris Sochan as chairmen for the weekend. Lots of seat time on Saturday which was appreciated. It's good to see people who are relatively new to the sport not only brave enough but excited enough to be an event chair. There were a couple chiefs who weren't able to attend, specifically Audrey. A special thank you to her as she was still able to perform her chief duty as registration and set up run groups and work assignments for the weekend.

### Vice President's Report

November events are sanctioned and ready. Brandon attempted to contact the fairgrounds regarding the 2026 schedule and our future at the fairgrounds but got no reply. The Vice President report was approved without objections.

### Treasurer's Report

Becki mailed the November check to the fairgrounds. Becki is waiting to get receipts for the Forza 44 scholarship. The TRSS checks were finally able to be deposited. The Treasurer's Report was approved with no objections.

### Secretary Report:

The August meeting minutes have been approved with no objections.

**Review Events 10 & 11:** Weather was good and there were several new people eager to work. Chris said everything went smoothly. There was a small incident that transpired to be nothing major. Brandon said the event chairmanship and responsibilities were very well handled and thanked Chris and Nathan for a great weekend. We invite more rallycross drivers to come join autocross and race on the asphalt with us.

**Rallycross:** Sanjay would like to combine our awards ceremony at the end of the year. We will make sure to include Sanjay in the planning for our end of the year awards ceremony. There should only be about 20-30 more people from rallycross added to our awards ceremony.

**Sim Racing:** Two upcoming events in October and the final event in December. Paul would like to put together a Dirt Rally 2.0 club, which is a sim racing video game that is based around dirt racing. There is a test event for the Dirt Rally coming up October 2-12. You can race at any time within those 10 days and set your times and at the end of the 10 days the group will compare results.

### **New Business**

**Events 12 & 13:** Last 2 events of the year chaired by the Cadiente's. Kyle said everything is sanctioned for the event already. No doubt it will be a fun final weekend of racing and excited to see what the Enduro will be like. We will have a meeting before the November events.

**SFR West Coast Solo Finale:** Rob has been working with SFR on the event as they have been inspired by Krider Classic events we've had the last few years. There will be a regional competition so the more attendance we have from our Fresno club the more chance we have to win as a club. They will also be giving money back to the clubs with high attendance. It is a two day event with dinner provided Saturday night and a poker run. Awards will be on Sunday. The event is October 4 & 5 at Crows Landing. Link to register is here:
